Answer the questions (9-10) according to the passage below.

Teenagers use the Net for different purposes. They listen to music, keep in touch with each other. Sometimes, they make new friends and chat. Though, it is difficult to control the usage of the Net, I think it has more pros than cons. Our time is the era of speed so the Net makes our life easier. Long ago, we used to have penpals at school and send letters to each other. We waited long to have their answers, now they don't have to wait for days thanks to the Internet.

9 Which of the following questions DOES NOT have an answer in the text?

- A Why do teenagers use the Net?
- B Does using the Net have advantages?
- C How do teenagers connect to the Net?
- D Do teenagers use the Net for different purposes?

Answer the questions (9-10) according to the passages below.

Gina is a hardworking and determined 8th grade student studying at Ridgemont Upper Primary School. She is one of the most successful students in her class and she is trustworthy and tactful at the same time. That's why she has lots of friends and all of them like her a lot. Her twin sister Stephanie is in her class too but unlike her, she doesn't have any friends because she is so self-centred and she never talks about her secrets to anyone but tries to learn about other girls' secrets. She is successful in the exams but it is not because she studies a lot. She cheats in the exams, copying down from her twin's paper. No one in her class likes her because she thinks she is the cleverest and prettiest girl in the class. It is so surprising that they are twins because they are so different from each other.

I Marinate	a a clue or a tactic
