Answer the questions (1-2) according to the passage below.

JENNY:

Hi, my name is Jenny. I have lots of friends, but Mary is my best friend. I met her at primary school. She is very helpful and trustworthy. I always count on her and share all my secrets with her. We also have a lot in common. We love shopping and watching extreme sports together. We are going to watch a skydiving tournament next weekend. I feel really lucky to know her.

Answer the questions (3-4) according to the passage below.

Man is a social being and needs a friend! In our lives, we make lots of friends, but what we need is a true friend. Who is a true friend? Here are some answers we got:

"A true friend is someone who will ...

- ◆ stay by your side at all times. 65%
- ◆ support you and care for you. 70%
- ◆ keep your secrets and share everything with you. 85%
- ◆ make you feel cheerful and happy when you spend time together. 72%

In short, a true friend is difficult to find, so you shouldn't lose your true friend. Losing a true friend is like losing a treasure. And you may never fill their place in your life. So, when you find a true friend, give them a special place in your heart.

Answer the questions (5-6) according to the passage below.

Answer the questions (7-8) according to the passage below.

Simon and Gary are best friends. They met each other in primary school thirteen years ago. They are now studying at the same university and they also share the same apartment. They mostly get on well with each other, they support and count on one another. They love spending time together, they go to movies, do outdoor activities and play tennis, but their favourite is having house parties at the weekends. They invite their friends to their apartment, they listen to music, eat, drink and chat. They have lots of fun altogether.

Answer the questions (1-2) according to the passage below.

Answer the questions (3-4) according to the passage below.

Jack:

Hi, I'm Jack. My best friend Sam and I love watching movies and we watch movies every Friday night. Sam comes to my house after work and he brings some drinks and snacks. We choose a film, and watch it. After watching the film we chat about it, share what we liked and didn't like about it. Our favourite type of movies are horror films, we like watching the latest films of this kind. We sometimes watch action and sci-fi movies too. We don't prefer watching comedies or thrillers, because Sam doesn't like thrillers and I am not keen on comedies. We have lots of fun every Friday night.

1. Terry is writing to James to

Which of the following best completes the sentence?

- A) invite James to his birthday party
- B) apologize for not going to his party
- C) ask his help because his grandmother is ill

- A) What's James offering for his guests at the party?
- B) What kind of a party is James throwing?
- C) How long will Terry's grandmother stay at the hospital?
- D) What's wrong with Terry's grandmother?

3. Jack and Sam

Which of the following best complete the sentence?

- A) like going to the cinema on Friday nights
- B) like having movie nights at home
- C) usually go and hang out with their friends
- D) spend time doing some outdoor activities together

4. What do Jack and Terry like watching the most?

Answer the questions (5-6) according to the passage below.

Everyone has problems in their life, so everyone needs friends to tell these problems to solve, or just need someone to trust and feel safe at difficult times. Some of us make friends easily, but for some people it is very difficult to make friends because of their shyness. Having friends of your own age is important. These friends look at things like you because they have the same interests and problems. Your friends listen to you and understand you when you feel bad. Friendships have their ups and downs, of course. Even best friends can sometimes argue with each other, but it is important to talk about these problems calmly and solve them easily, because respect and kindness can solve any arguments. It is not good to keep things in your mind and not telling them how you feel.

5. What's false about being friends?

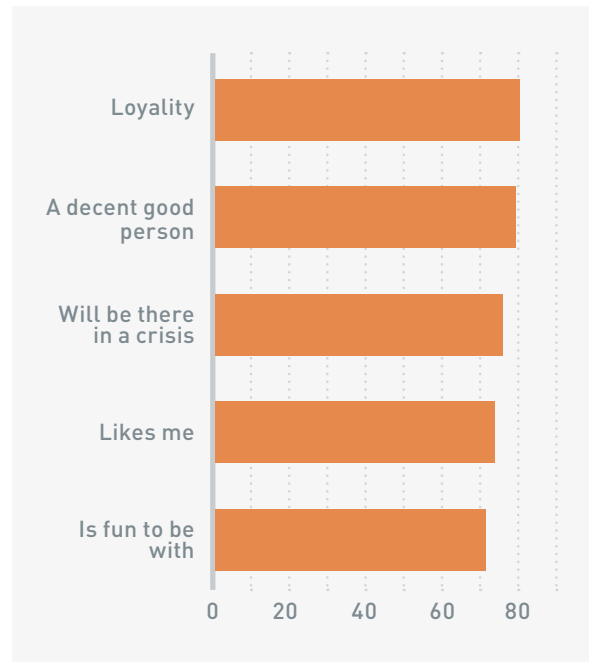

- A) Friends are there only at your good times
- B) Friends can make you feel safe
- C) Friends can help to solve problems
- D) Friends can trust each other

6. Why cannot some people become friends easily?

- A) Because they are selfish
- B) Because they are shy
- C) Because they don't feel safe
- D) Because they don't trust other people

Answer the questions (7-8) according to the table below.

Which qualities do you look for in close friends?

7. The most important trait for being a true friend is being

Which of the following best completes the sentence?

- A) honest
- B) loyal
- C) humorous
- D) generous

8. Which of the following is correct?

- A) Teens think being supportive is the least important trait.
- B) Feelings do not play an important role for being good friends.
- C) More teens think that getting on well with is more important than being honest.
- D) Being a good person and being loyal to your friends are the two most important traits.

Look at the chart below and answer the questions 9 and 10.

Sam: Hi, Jamie, we are planning to have a cycling tour this week. Would you like to join us?

Jamie: Sounds great, of course. When are you planning to have it?

Sam: Well, everyone has something to do during the week, so we think we can do it on the weekend.

Jamie: Oh, I am quite busy at the weekends, but I might arrange something if you tell me the exact time.

Sam: Alan has an art course on Saturday morning, so we cannot do it that day. Sandra and I have a Spanish class on Sunday afternoon, so Sunday morning can be suitable for all of us. What about you?

Jamie:

Sam: Sounds fair. I'll call you about the details after I talk to others.

9. Which of the following can best completes the dialogue?

- A) Sorry buddy, but I have to do my homework then
- B) I think Sunday morning can fit me too, but I have to ask my mom
- C) Well, it is a good idea, but it will be better if we do it on Tuesday at 4
- D) Thanks for asking, but I don't really want to go on cycling early in the morning

10. Which of the following is not correct about Jamie?

- A) He is interested in drawing pictures.
- B) He practices archery four hours a week.
- C) He can play computer games twice a week.
- D) He spends more time on studying than any other free time activities.
